PIPING SYSTEMS & VALVES

PIPE & FITTINGS

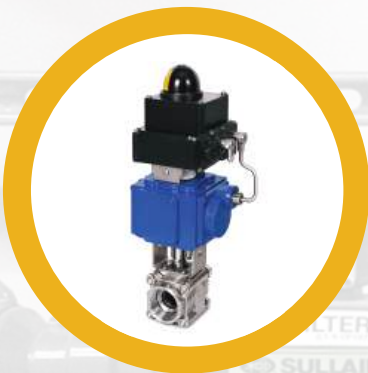

- ABS, PVC, CPVC, Polypropylene, Polyethylene
- PVDF, Halar®, PTFE, PFA, Kynar®
- Fiberglass, Epoxy, Vinyl Ester, FRP Dual Laminate, Steel Lined with PTFE, PFA, PolyPro.
- Stainless Steel, Carbon Steel, Copper/Brass, Titanium, Hastelloy
- Secondary Containment Systems

VALVES

- Ball, Butterfly, Check, Control, Diaphragm, Gate, Globe, Knife Gate, Multi-Port, Plug, Pinch, Solenoid, Relief, Regulator
- Stainless Steel, High Alloys, Carbon Steel, Brass, PVC, CPVC, Polypropylene, Polyethylene, PVDF
- Epoxy, Vinyl Ester, Fiberglass, PVDF, PTFE/PFA Lined
- Dual Contained Valve Boxes

VALVE AUTOMATION

- Pneumatic Actuators
 - Solenoids
 - Positioners
 - Manual Gear Overrides
- Electric Actuators
 - Open / Close
 - Modulating

RARITAN VALVE
& AUTOMATION

RARITAN
PIPE & SUPPLY CO

CORROSION RESISTANT SOLUTIONS

FROM PIPE, FITTINGS, VALVES, & VALVE AUTOMATION TO CUSTOM TANKS, INSTRUMENTATION, AND COMPLETE SYSTEMS RARITAN GROUP DELIVERS FOR YOUR CRITICAL ENVIRONMENTS.

SPECIALTY SYSTEMS & INSTRUMENTATION

HIGH PURITY / SANITARY PIPING SYSTEMS, TUBING & HOSE ASSEMBLIES

- PVDF, Stainless Steel, Halar®, PVC, Polypropylene, PTFE, PFA, Silicone
- IR, Sanitary, Fusion Joints, BCF
- FDA/USDA-Approved Materials
- WFI & RO Water Systems
- Triclamp, Camlock, Swivel
- Convoluted & Smooth Bore Hoses

CUSTOM SYSTEMS

WE'LL TACKLE YOUR CHALLENGE!

- pH Neutralization
- RO/DI Systems
- Filtration
- Chemical Cleaning

INSTRUMENTATION

- Flow Sensors
- Flow Meters
- Liquid Level
- Analytical
- Pressure
- Leak Detection

RARITANGROUP.COM

CONTAINMENT, FABRICATION & STRUCTURES

DOUBLE WALL / SECONDARY CONTAINMENT PIPING SYSTEMS AND CUSTOM FABRICATIONS

- PVC, CPVC, PVDF, Polypropylene, Acrylic, Fiberglass, Polyethylene PTFE, PFA, Kynar®, Stainless
- Exhaust Systems, Water Stops, Manifolds, Workstations
- Hoods, Linings, Hoppers, Ducts, Fans, Scrubbers

TANKS & LININGS

- PVC, CPVC, Polypropylene, Fiberglass, PVDF, PTFE, PFA, Kynar®, Polyethylene, Stainless
- Coated, Lined, Epoxy, Vinyl Ester, Furan
- Cylindrical, Rectangular, Underground, Horizontal
- Plating & Chemical Storage
- Pressure Vessels / ASME Code

FIBERGLASS STRUCTURES & GRATING

- Turnkey Design, Engineering, and Fabrication
- Stair Treads (Molded/Pultruded)
- Deck Plate, Concrete Embedment
- Structural Shapes, Threaded Rod/Nuts, Fasteners
- Columns, Beams, Adjustable Supports, Unistrut

RARITAN
SINCE 1943 **GROUP**

**YOUR SINGLE SOURCE FOR INDUSTRIAL
PIPE, FITTINGS, VALVES
AND FLOW CONTROL PRODUCTS**

Our Manufacturer Partners Include:

PVC / CPVC / ABS
Polypro / PVDF / PE
Fiberglass

Epoxy / Vinyl Ester
TFE / PFA Lined
Halar

High Alloys
Stainless Steel
Carbon Steel
Copper / Brass
Pipe / Tubing

Fittings
Valves

Actuators

Automated Valves

& AUTOMATION**

AN INDUSTRY LEADER FOR OVER **80** YEARS

RARITAN

RESOURCEFUL • RELIABLE • RESPONSIVE

OUR COMMITMENT TO YOU

At Raritan Group, we don't just supply products — we deliver partnership, performance, and peace of mind. Our team's deep expertise and unwavering dedication ensure that you receive:

Knowledgeable support from experienced professionals

Outstanding service with attention to every detail

Quality products from trusted manufacturer partners

Our pledge is simple: We meet your needs with precision, integrity, and speed — every time.

We never stop improving, innovating, and striving to exceed your expectations.

That's what makes us Resourceful, Reliable, Responsive.
